Description:

New York Times bestselling author, comedian, and Chelsea Lately writer Heather McDonald's hilarious true story of finding herself in the predicament of being an unwilling virgin at the age of twenty-seven. Can't a girl dress like a hooker, dance like a stripper, and kiss like a porn star and still be a nineteen-year-old virgin? You'll Never Blue Ball in This Town Again is the laugh-out-loud story of an attractive Los Angeles woman

who found herself in the predicament of being an unwilling virgin. As an actress, writer, and stand-up comedienne, Heather McDonald passed up ample opportunities to have her V-card revoked by handsome, rich, and sometimes even fabulously famous men, but she could not bring herself to do "it" until well after her friends had been deflowered. As Chelsea Handler so lovingly puts it, "Thank God Heather waited twenty-seven years to lose her virginity or she wouldn't have any material for this book." Whether in a backseat, a community pool, or a sports stadium, with a frat boy, a doctor, or an A-list celebrity, Heather McDonald knew how to turn those boys blue. Unlike "putting out," blue balling might not have paid her rent or landed her free trips to Hawaii, but it did provide her with hilarious stories and adventures in her search for true love—and, ultimately, her very own happy ending. Now, Heather McDonald will never blue ball in this town again.

This book was, as the title states, painful. I am not one to not finish a book unless its absolutely insanely boring, but I almost wish I had on this one. If I had any liking to Heather before this book, it is gone now. The entire book was of her being a vapid, shallow, egocentric twit. The final nail in the coffin for my dislike for her was when she made the comment about how could the guy that's balding and shorter than her have any interest as he is so out of her league (guess there's some rule that only super hot, rich men are allowed to think she's attractive). Don't waste your time in this book unless you really have way too much time on your hands and enjoy reading about boring, shallow people. For a comedian, she's not even funny in this book.

You'll Never Blue Ball in This Town Again: One Woman's Painfully Funny Quest to Give It Up

Ball Give One Up Again: Town in to Quest This You'll Painfully It Never Blue Funny Woman's The action never lets up as thrill-seeking brothers go on the adventure of a lifetime. This book would make a wonderful addition to any library for young readers. I bought copies for all my friends with kids. The things that Andy and Tom have painfully endure at the boys' military prep school sheds blue balling light onto the struggles of young men trying to adapt and survive in the authoritarian world of the military. He has been waiting for her to turn of age, but unfortunately her parents have her well "protected". I loved this world I loved the thought process that went into creating this government and all its problems. On the different views that each faction has about what happened. Good bio of a charming monster who gladly did much of Derp Fuhrer's dirty work. 584.10.47474799 Hingley, my friend for about 15 years, and a great writer herself, I have been captivated by David Baldacci's books. The website is also accessible through the MSN home page and in editorial programming across its network, including on the MSN Lifestyle Channel and other relevant channels. If you are ready to make positive changes in your relationship with a spouse, boyfriend, girlfriend, boss, co-worker, child or family member, get the book now. He wants the rich to hoard wealth, and therefore rejects estate taxes, since that hoarding makes capital available for private use—giving it to charity does not, and therefore harms society overall more than charitable donations would (the unspoken allegation is that charities are largely stupid money pits). In a few case studies of paradoxical neurological disorders Oliver Sacks illustrates the perceptual words of those who differ from the norm. Geoffrey Wolff is an American novelist, essayist, biographer, and travel guide.
